Tea Biscuits - Recipe for Class 4 - 20

450° F.

- 2 cups flour
- 4tsp. baking powder
- 1 tsp. salt
- 1/4 cup shortening (lard)*
- 1 cup milk

Mix together flour, baking powder and salt. Cut in shortening with 2 knives or pastry blender, until mixture is the consistency of coarse corn meal. Make a well in the centre of these ingredients: Add liquid slowly.

When all the liquid has been added stir dough rather vigorously until it comes freely from the side of the bowl. Turn the dough onto a lightly floured board and knead lightly for a FEW MINUTES. Roll or pat out to desired thickness — about 1/2".

Cut dough with a 2" floured biscuit cutter. Place on greased baking sheet. Bake in a hot oven 450°F for 12 - 15 min.
